

# New BI16

---

## PRODUCT INFORMATION No. 08-2017

Benedetta Rinaldi

**Indel Webasto Marine**  
Sales & Marketing

- 
- ✓ Indel Webasto Marine has the pleasure to introduce the new BI16, a DC fridge solution.
  - ✓ Compact and performing, thanks to the new BD 1.4F by SECOP 12/24V Micro compressor installed power.
  - ✓ Easy access to food and drinks from the top, allowing more installation options vs standard front opened applications.

## Features and Benefits

- Fridge function from 0°C to +10°C
- Equipped with SECOP BD 1.4F FSD 12/24V fixed speed compressor, the smallest and lightest DC unit on the market. Specially designed for **maximum efficiency** and **reliability** and minimize installation space

## Features and Benefits

- 16 liters total gross capacity (15,8 lt net)
- Upper lid with inner recess to store big bottles
- Top loading

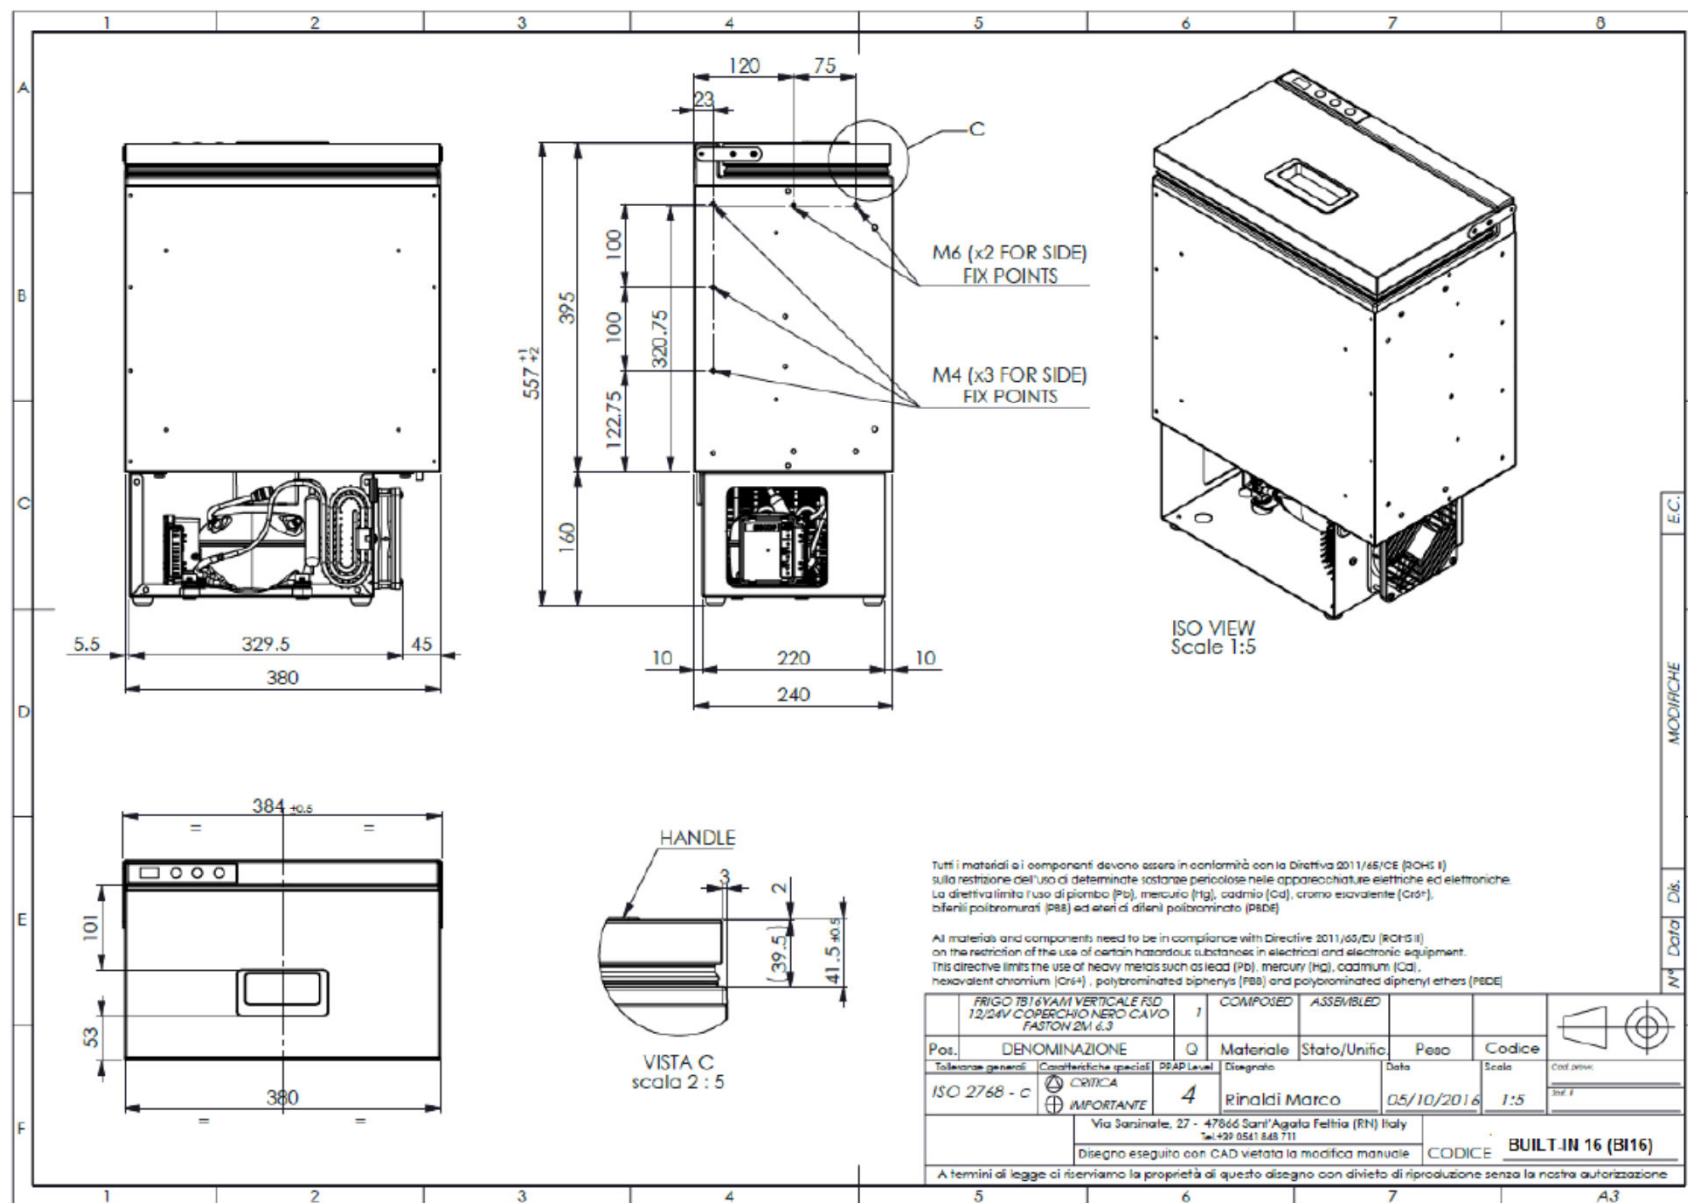

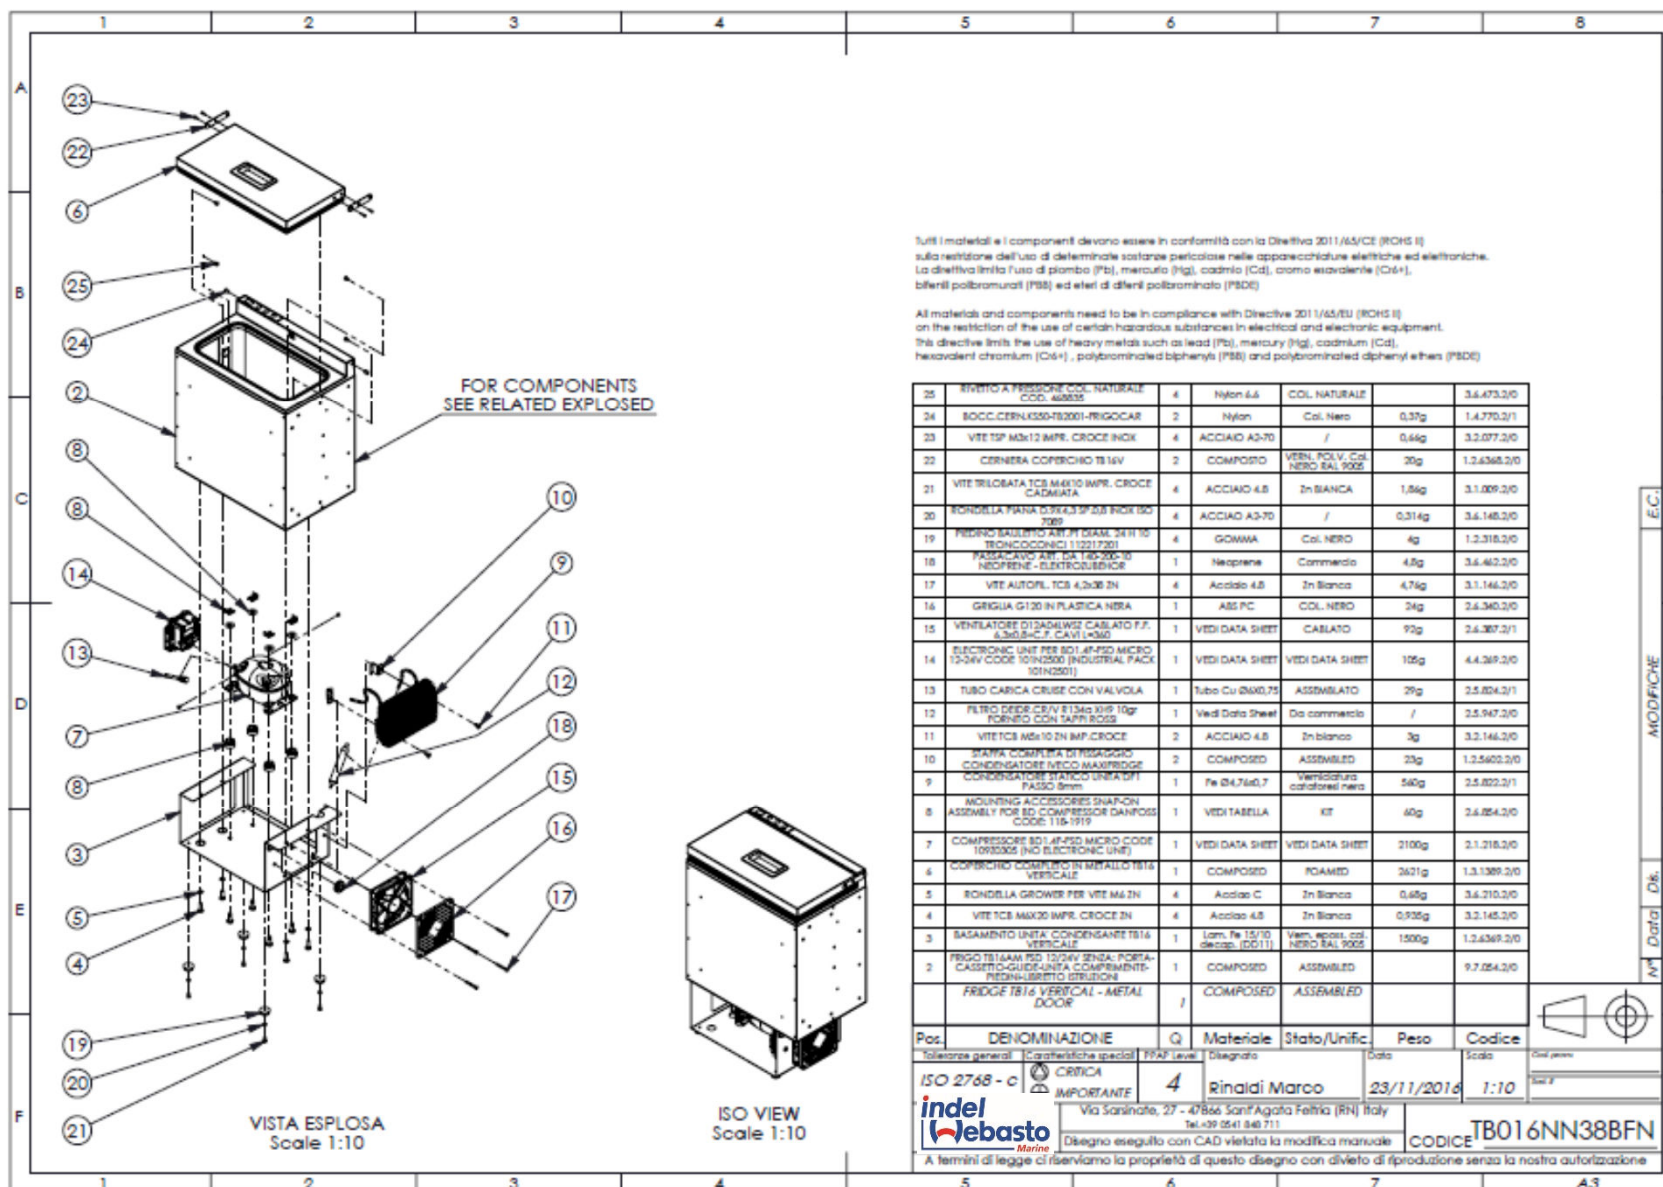

## Features and Benefits

- Easy to use digital display with “splash proof” IPX5 front protection
- Thermoformed plastic material inner lining and bottom section
- Provided with easy-fix system and with a structural bottom compressor’s casing
